Mr. Butler,

Counsel has conferred and all three parties are available to proceed on October 20th at 2pm.

Thank you so much for all your efforts.

THOMAS P. GRESSETTE, JR.

Tom:

I understand your issue. Our problem is that the Commissioners have quite a busy schedule in the next month or so and it so happened that a case was cancelled for next Tuesday morning.

Would you, your client, and the other parties be available for the oral arguments September 30 at 10 am or 2 pm, October 1 at 10 am or October 20 at 2 pm? Please advise as soon as possible. Again, the Commission (and the parties) would need the requested materials in hand well before the oral arguments.

Thanks,

David Butler

Chief Hearing Officer

Subject: [External] RE: Docket No 2021-114-E - Orangeburg Solar Projects

Good afternoon.

My client would like to have a representative available to participate in the conference/hearing and unfortunately the 28th is not an option. I did ask for specific dates, hoping that might be of assistance in scheduling.

Following are some blocks of available time in the coming days:

- **Wed, Oct 6** between 12:00 – 5:00 Eastern
- **Thurs, Oct 7** between 8:00 – 1:00 Eastern
- **Fri, Oct 8** between 8:00 – 1:00 Eastern
- **Mon, Oct 11** between 8:00 – 5:00 Eastern
- **Tues, Oct 12** between 8:00 – 1:00 Eastern

Please let me know if we need other dates/times. Thank you.

Tom

Subject: Docket No 2021-114-E - Orangeburg Solar Projects

To the Parties:

At today's Commission meeting, the Commission voted to set this matter for oral argument, if possible for Tuesday, September 28, 2021 at 10 AM, to seek additional information about the Project. The Motion directed the Hearing Officer to poll the parties to see if this date and time fits with their schedules. If not, the Hearing Officer was directed to set the matter for oral argument at the earliest opening on the Commission's calendar.

As part of the Motion, the Commission stated as follows:

In addition, I ask that the petitioner provide the following additional information related to this matter:

1. Scalable map showing both projects
2. Project footprint, interconnection location and depiction of outer boundary of the property dedicated to this project
3. information on the design size of the facilities and the operational capacity of the facilities.

This gives you an idea of the type of information sought by the Commission. They prefer that this information be provided in document form, prior to oral arguments.

In any event, please advise me as soon as possible if you all are available for oral arguments on Tuesday, September 28, 2021 at 10 am.

Thanks,

David Butler

Chief Hearing Officer
